

# The most REAL thing

GET REAL... GET DEEPER

Try as I might I cant seem to improve much on the words of this border... the most important thing I could think to say to you on your 13 birthday is right there. In your life you will be flattered and slandered. Praised and accused ...

Think highly and poorly of yourself - like some crazy revolving door. I pray you will learn much earlier than I that essentially - none of it matters. You don't have to live your life locked in

that spin if you'll learn to look to God for what He says of you. The Feelings, and

## D'ARCY

Failures, success and triumphs can all turn up the volume making it harder to hear or remember what HE has said. If voices should say "not good enough" HE says "worth dying for". If voices should say "you're all alone" HE says "I am with you always". If voices should say "my goodness Emily - you're so crash-hot", HE would say "don't get a fat head—remember Who made you and both invented the idea of talent and gave some to you!" Don't settle for voices that tell you you know enough. That you have 'arrived', but do rest in Him and be content there. Press deeper for knowledge. Press deeper in Him to understand, love and be loved. When your old and tired and wonder "is this it? Is this all there is?" KNOW it is NOT! He has MORE for you so press deeper - go DEEPER, He'll take you through. The world around you may shimmer and shine or batter and bruise, but none of it matters and none of it's true apart from the truth of what HE says of you. Some leave faith behind them because they don't see the answers they need - go deeper till you find them because they are there! Ask. Seek. Knock. Proverbs 4:18 The path of the righteous is like the first gleam of dawn, shining ever brighter till the full light of day. Isaiah 12:3 With joy you will draw water from the wells

of salvation. With love for your birthday from Mrs McEwan 27 June 2009 xxx Hugs xxx
